Essential People Development skills

HABC Level 3 Award in Health and Safety in the Workplace

Who is it for ?

This qualification is designed to ensure that all employees are aware of their own safety and the safety of customers, contractors and the public.

What is it about and what will it do ?

Supervisors and managers are made aware of their legal and moral obligations to ensure health and safety within a business. This includes obligations to employees, contractors, suppliers and members of the public. To ensure managers take responsibility for ensuring the competency of the workforce and for identifying hazards, implementing controls and take appropriate corrective action when necessary.

Holders of the Level 3 Award will assist businesses to demonstrate their legal requirement to engage a 'competent person'.
